# GOD'S MOST WANTED LIST

This Warrant is for you!

Heaven has issued a warrant to arrest your attention. The crime is sin and death, the evidence and the final sentencing to follow. The final verdict (Ezekiel 18:4 "The soul that sinneth it shall die")

Dear reader you are being sought by God who wishes to save you from eternal judgment.

After detailed analysis our findings are that, you fit perfectly the description of the suspect being sought. For God seeks to save that which is lost. Without a doubt if you have not made your peace with God you undoubtedly are guilty of the blood and broken body of the sinless one who died for you upon Calvary's dreaded hillside.

It will not do any good to ignore this warrant, for there is a trail of evidence against you that will beyond a shadow of any doubt convict you.

The forensic experts have located a trail at the crime scene that begins in an upper room where an apparent supper had taken place, it then led them to a lonely garden where the evidence of agony and tears, and dry blood were noted. It appears he was approached by a multitude of soldiers and hurried through three courts of law. Articles of clothing, small thorns, fragments of scarlet and a wilted reed were found in the final courtroom. Also, human spit was also gathered at the scene, and a wash basin with the name Pilate engraved upon it. Fragments of human flesh were also noted and blood matching that of the victim, which leads us to believe he was severely beaten and assaulted.

From Pilate's hall of judgment there is a positive trail of sand soaked with blood and a deep rut where the end of a large cross beam had been dragged. This trail of overwhelming evidence appears to cease at the top of a lonely hill called Calvary where his garments were parted, tainted with even more blood and water, vinegar and gall. **Additional evidence:**

From there were several footprints and the aroma of spices leading to an empty tomb, also inside this tomb were found a folded napkin and a pile of grave clothes lying on the ground, end of evidence.

All evidence is consistent and by proxy points a finger of guilt in your direction, as an accessory to the crime. For this crime was committed for you that you might have access to eternal life. You stand guiltless of the death of Christ.

At this time you are placed on God's Most Wanted List, and are being asked to turn yourself in to your local Apostolic Church. There you will be given the only true plan of salvation as a pardon for sin. It is as follows: Acts 2:38, John 3:3-5, Acts 10:44-48, and Acts 19:5. Also, read Romans 8:9 (note Ecclesiastes 3:14-15, this legal plan cannot be altered, it is forever settled). Next you will be given instructions on faithfulness and servitude to the one who died that you might live. You must never break your parole. Satan brought forth incriminating evidence against you, calling for a death sentence.

God stood in your defense and declared that although his death was due to sins that needed remitted, he came that you might have life everlasting.

Final remarks of Heaven's Judge: "If you refuse to follow this plan of mercy, you leave this court of Heaven no choice but to execute a sentence of judgment. You'll be bound hand and foot, and cast in the roaring eternal flames of hell, and there remain in the prison house of the damned behind locked gates forever.

Turn yourself in today for time is not in your favor. Forgiveness awaits you.

God is not willing that any should perish, but that all should come to repentance. (I Peter 3:9)

Aquaint now thyself with him, and be at peace; thereby good shall come unto thee. (Job 22:21)

God is patiently waiting for you, for you are on **His Most Wanted List**.
